Projects.

- RELIGARE in EUROPA. Project: OUMMALUX. (2010-2011). Prof. Philippe Poirier (project coordinator). The research project aimed to analyze the state of constitutional provisions and agreements of the Member States of the European Union with Religious Cults as well as defined the religious conceptions of governance of European political parties. Two-year project (2008-2010) was supported by the European Science Foundation policies. (<http://www.wen.uni.lu/content/view/full/10019>)

- CATHEDRAL CITIES: MEMORIES, LANDSCAPES AND IDENTITARIAN HERITAGE OF EUROPE (2017-2018). The project will seek to demonstrate how cathedral cities all over Europe form a common cultural heritage composed of tangible and intangible elements. The innovation offered by ID_EURITAGE is to interpret for European communities a core cultural heritage that contains the nucleus of European Landscape, Memory and Identity; that is, historical urban monuments of Europe's Cathedral Cities. <https://www.cathedralcities.net/>
